## Education

**Dr. D. Y. Patil Technical Campus, Pune**

*BE in Computer Engineering*

**Aug 2024 – July 2027**

*Pune, Maharashtra.*

**Mahavir Polytechnic, Nashik**

*Diploma in Computer Engineering*

**Dec 2021 – Aug 2024**

*Nashik, Maharashtra.*

**Blue Bell High School(Jail Road)**

*primary to secondary education*

**Dec 2011 – Aug 2020**

*Nashik, Maharashtra.*

## Experience

**eMsys Solutions**

**8th June 2023 – 31th July 2023**

*Intern*

*Nashik, Maharashtra*

- Gained hands-on experience in developing web applications using C#, ASP.NET, and HTML.
- Worked with Visual Studio for coding, debugging, and deployment.
- Explored backend database integration using Oracle/MySQL to manage dynamic web content.
- Learned the core principles of object-oriented programming (OOP) and web development frameworks.

## Projects

**Pizza Delivery Web Application / C# / HTML**

**2022**

- Developed a responsive web application for ordering and managing pizza deliveries using ASP.NET and HTML.
- Designed an intuitive user interface with features to browse the menu, customize orders, and select delivery or pickup options.
- Implemented backend logic for user authentication, real-time order tracking, and dynamic pricing updates based on toppings and size.

**Brain Bazaar / JQuery / Python**

**2023**

- Developed an AI-powered web application for students and teachers.
- Key features-
  - 1) MCQ Generator: Generates 20 MCQs with answers from any chapter in under 5 minutes.
  - 2) Notes Summarizer: Simplifies complex paragraphs for easier understanding
  - 3) Additional resources: Previous year question papers, model answers, syllabus, and notes

## Technical Skills

**Languages:** C++, Java, C, HTML, CSS, Python, JavaScript, SQL

**Developer Tools:** VS Code, Eclipse, Android Studio

**Technologies/Frameworks:** GitHub

## Achievements

**Winner at MAHA-VEER** - 1st prize in a project competition at Mahavir Polytechnic for Brain Bazaar.

**Winner at PRO-JIT** - 2nd prize in project competition at Jawahar Education Society's Institute of Technology for Brain Bazaar.

**Winner at MET-Future-Tech** - 2nd prize in Paper Competition at MET Bhujbal Knowledge City 2024.
